LEGACY PARADE FORM

Les Soeurs Charmantes Social and Civic Club will honor and showcase Legacy Debutante during the 50th Anniversary Reunion of Debutantes. The Legacy Parade will be held during the Debutante Brunch on Saturday morning to feature our legacies.

In addition to participating in the parade, legacies may submit pictures to be featured in a slide show at the beginning of the brunch and during the parade. Legacy parade participants may include mothers, daughters, granddaughters, sisters, aunts, nieces, and cousins.

For the slideshow, debutantes may submit up to two (2) pictures for each Legacy Debutante group. Legacy/Legacies name should be included in the file name (filename example: firstname_lastname). Supported file types: jpeg, jpg, or png (10MB file size limit). The committee will make every effort to include all submitted pictures, but if the file requirements are not met, or if pictures are not properly labeled, there is no guarantee the pictures will be included in the slideshow.
